**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition amongst businesses is a key component for consumers. Without it we are far more likely to see increased fees and rates because no one is competing to drive them down. We need competition. It is a vital pet of capitalism. Please allow competition between wireless providers to continue.
